

Announcement of Company Name Change

We announce to change our company name under JTEKT group business brand integration policy effective April 1st, 2023.

By this brand integration, we are aiming to improve group synergy and this brings us better products and grow up as global No.1 column supplier which we are targeting to be.

We will try our best to achieve our target so your continuous support would be very much appreciated.

Best regards,
October, 2022
